Dear Todd,

It will be my pleasure for you to join the board of directors of the Naismith International Basketball Foundation. As you know we are a non-profit (501c3) foundation and all monies that we raise goes to charitable cause. The mission of the foundation is to bring back the spirit of the game that my grandfather, Dr. James Naismith Invented in 1891. Our goal is primarily aimed at children to promote good sportsmanship, respect, dignity, positive role-modeling, team work and higher education. The foundation opposes the negative messages and greed being conveyed by today's basketball stars at all levels of the game.

I look forward to working with you in the future and know that you will be a great asset to our organization.

Sincerely,

Ian Naismith, Founding Director
