Dear Mr. Good:

The Ohio Auctioneers Commission wanted to take a moment to thank you for your time and effort in conducting your April seminar held at the Ohio Department of Agriculture.

Your seminar was informative, timely and well delivered. We received a lot of positive feedback regarding your portion of our spring seminar. The Commission firmly believes nationally recognized speakers, such as you, are integral to the success of our educational seminars. You bring a wealth of knowledge and experience regarding marketing of auctions that is appreciated.

Thank you again for your time, efforts and a great seminar.
